

Webinar series being organized by  
APAARI, BCIL & APCoAB for  
popularizing Plant Tissue Culture in  
Asia-Pacific Region and African  
Countries towards realizing its  
potential

## WEBINAR

# 2

Tissue Culture of  
Perennial fruit/cash  
Crops: Significance,  
Best Practices, and  
Way Forward

Date: June 30, 2022

Time: 11.30 AM ICT; Bangkok Time (10.00 AM IST)

Registration Link:

### CHAIRPERSON

**Dr. Purnima Sharma**  
Managing Director, BCIL,  
India

**Dr. Ravi Khetarpal**  
Executive Secretary, APAARI,  
Thailand

**Dr. Prabhat Kumar**  
Horticulture Commissioner,  
Govt. of India

**Dr. Rishi Kumar Tyagi**  
Coordinator, APCoAB-  
APAARI, Thailand

### SPEAKERS

**Dr. S.K. Singh**  
Head F&HT, ICAR-IARI, India

**Dr. Aziz Torahi**  
Scientist, AREEO, Iran

**Mr. Vinod Soni**  
MD, Rajat Nishant Biotech, India

**Dr. Shiv Kant Shukla**  
DGM, BCIL, India

### MODERATOR

### PANELISTS

**Dr. Ali Reza Bonyanpour**  
Professor, AREEO, Iran

**Dr. Vidya Gupta**  
Former Chief Scientist, CSIR-NCL, India

**Prof. Inuwa Shehu Usman**  
Professor, IAR, Nigeria

**Tarun Arora**  
Director, IG International, India

Unique Opportunity to listen and interact with the Pioneers of Plant tissue culture sector (Indian and International) including Policy Makers, Industry, Scientists and International Associations. Get new insights into the latest developments in the Sector and way forwards for sustainable agriculture. No registration fees. Register early.... Limited Registrations on first serve basis! (Registration link: [https://zoom.us/webinar/register/WN\\_IMRWAUnDS3i1n6ME1prGCCQ](https://zoom.us/webinar/register/WN_IMRWAUnDS3i1n6ME1prGCCQ))
