During the year under review, operational income of your company had increased from Rs. 823.79 lakhs in the previous year to Rs. 970.05 lakhs, registering a growth of 17.75% over the previous year. Your company achieved a profit of Rs. 123.08 lakhs during the year as against the previous year profit of Rs. 175.33 lakhs which includes Rs. 63.57 lakhs towards excess gratuity provision made in earlier years.

OPERATIONS

Your company facilitated commercialization of biotech products and process by extending a range of business support services namely Intellectual Property Management and Technology Transfer, Consultancy, Project Management, Regulatory Support and Information Dissemination.

PROJECT MANAGEMENT

Your company continued the management of prestigious long term programmes of Department of Biotechnology, Govt. of India (DBT) namely National Certification System for Tissue Culture Raised Plants (NCS-TCP), North Eastern Region-Biotechnology Programme Management Cell (NER-BPMC), School of International Biodesign (SIB), Junior Research Fellowship (JRF) Programme, Biotech Industrial Training Programme (BITP) and DBT- Conference, Travel, Exhibition, Popular Lectures (CTEP).

During the year under review, your company successfully managed various activities of National Certification System for Tissue Culture Raised Plants (NCS-TCP). NCS-TCP is a quality management system for Indian plant tissue culture sector industry established under the Seeds Act 1966 and is first of its kind in the world. Your company has been managing NCS-TCP since its inception in 2006. NCS-TCP has been facilitating production and supply of quality tissue culture planting materials to farmers. During the year, along with recognition of tissue culture companies (currently 83 companies have been recognized) and certification of tissue culture plants produced by the recognized companies, significant efforts were made for developing and getting approval of tissue culture standards for date palm, pineapple, pomegranate and teak under NCS-TCP and digitization of various key processes including testing, certification, recognition and key features of the management of the system. So far approximately 500 million tissue culture plants have

been certified under NCS-TCP. This gross certified volume covers approximate 1,00,000 hectare area. It is also significant to note that no major virus outbreak has been reported in tissue culture plantations since the launch of NCS-TCP. During the year, your company successfully organized skill development programmes for human resources from four Accredited Test Laboratories (ATLs) to update and upgrade their testing skills. Your company initiated development of QR code software to label each plant to introduce comprehensive traceability under NCS-TCP which will take this system to the next level.

The other major project of DBT managed by your company during the year is “North Eastern Region Biotechnology Programme Management Cell (NER-BPMC)” which is aimed at holistic biotech-based development of the North Eastern Region (NER) of India and is being managed by your company since its inception in 2008. The NER-BPMC continued to manage several region-specific programmes in NER towards skilling of human resources, research infrastructure creation, introducing flagship R&D programmes and specific network programmes targeting local issues and development of entrepreneurship. These initiatives have strengthened the innovation ecosystem in the NER.

Your company continued to provide techno-legal services for management of DBT supported School of International Biodesign Programme (SiB) which is a flagship Programme of DBT implemented at AIIMS and IIT Delhi in collaboration with international partners aimed at development of innovative and affordable medical devices by promoting entrepreneurship. Your company has been managing this Programme since 2008. One new start-up company was established during the year namely M/s. Cureous Labs Private Limited for further development and commercialization of ‘Multiside Tilt Device’ for prevention of bedsores in non-ambulatory, bed-ridden patients.

Your company has assisted in filing multiple Patent and design applications both in India as well as Internationally during the year 2019-20. The patent

applications filed in the financial year included four complete patent applications, two provisional patent applications in Indian Patent Office and four PCT international applications.

Four novel medical device technologies were developed under the SiB programme during this period including Device for Detecting and treating Cervical Precancerous Lesions, Non-invasive ventilation for Acute Exacerbation of chronic obstructive pulmonary disease (COPD), Digital Microscope enabled with Artificial Intelligence and technology for a full-body PPE suit for Healthcare professionals for use during the COVID-19 pandemic.

Seventeen fellows from multi-disciplinary fields viz. doctors, engineers and industrial designers have been trained under the SiB programme in the FY 2019-20. To increase the ambit of specialized training imparted under the Biodesign programme and develop more medical device technologies, the programme has now started enrolling fellows biannually.

Your company managed the prestigious “DBT-Junior Research Fellowship (JRF)” programme. This programme aims at providing fellowships to biotechnology students interested in pursuing research/ Ph.D. in institutes/universities across the country.

Your company also assisted National Institute of Immunology (NII), Delhi in successfully conducting an online entrance examination for shortlisting of candidates for NII Ph.D. programme.

Your company continued to assist DBT in managing the “DBT-Biotech Industrial Training Programme (BITP)” which is aimed at providing practical industrial exposure for six months to biotechnology students and in the process helping industry to recruit prospective manpower. This year 201 trainees were placed in 37 Indian biotechnology companies. Your company arranged training in diverse areas such as clinical trials, contract manufacturing, management of Intellectual Property etc. which offer good career opportunities.

During the year, your company continued to manage the DBT- Conference, Travel, Exhibition, Popular Lectures (CTEP) programme of DBT. Under this programme, DBT provides financial assistance towards Organizing Conference/ Seminar/ Symposium/Workshop and Travel support to researchers for presenting their papers in international conferences, organizing stalls in exhibitions, organizing popular lectures etc. Your company is the DBT-CTEP Management Cell for the said programme.

INTELLECTUAL PROPERTY MANAGEMENT AND TECHNOLOGY TRANSFER SERVICES

During the year, your company continued to undertake IP assignments for Indian biotech industry, research institutes, universities and government agencies. These covered IP due diligence, freedom to operate searches, prior art searches, patent drafting and filing, trademark, design and copyright related advisory and filing.

Under the technology transfer initiatives, your company continued to provide technology transfer services including technology evaluation for assessing commercial feasibility to government departments and government/private institutes. Your company facilitated the licensing of DBT supported technology for White Rust resistant mustard varieties developed by University of Delhi, South Campus to M/s. Ajeet seeds Pvt Ltd., Aurangabad.

Your company provided diligent post technology transfer monitoring and hand-holding support to the medical device start-ups for facilitating further development and commercialization of medical device technologies. Your company facilitated product launch of the Flexible Limb Immobilisation device (Flexicast) developed by Startup-Company M/s. JC Ortho heal Pvt. Ltd, Gujarat. The product was formally launched by Dr.Renu Swarup, Secretary,

Department of Biotechnology, Ministry of Science and technology, Government of India on December 7, 2019.

PROJECT CONSULTANCY

Your company continued to extend consultancy services for facilitating setting up of Biotech park/incubator/ biotech startups. Your company assisted Government of West Bengal in preparation of Detailed Project Report (DPR) for setting up of Biotech Park in Kolkata. The DPR prepared by your company was approved for financial support by DBT during the year. Government of West Bengal is now considering engaging the services of your company in operationalization and management of the Kolkata Biotech Park which would enable your company to expand the scope of services provided to State Governments. Your company also extended engineering consultancy services to Kerala Start Up Mission (KSUM) to set up India's first Cancer Research Incubator BRIC (Centre for Biomedical Research, Innovation and Commercialization in Cancer Care) at Technology Innovation Zone, Kalamassery, Kochi.

Your company successfully completed a project on providing technical support to World Health Organization (WHO) for organization of '2019 World Conference on Access to Medical Products – Achieving the SDGs 2030'.

Your company also organized a stakeholder consultation with industry, academia and government agencies on Digital Sequence Information (DSI) and its implications on R&D and technology commercialization in biotechnology, with support from United Nations Development Programme(UNDP).

Your company has been commissioned the project "Organizing Skill Development Training Programmes" by the National Biopharma Mission (NBM),an Industry-Academia Collaborative Mission of Department of Biotechnology (DBT), Ministry of Science & Technology, Govt. of India, implemented by

Biotechnology Research Assistance Council (BIRAC) and co-funded 50% with World Bank loan assistance. The objective of the National Biopharma Mission is accelerating discovery research to early development for biopharmaceuticals including vaccines, biologics, medical devices and diagnostics to make India globally competitive over the next decade.

Skills required for research & development and manufacturing of biologics are very specific and key to the ability of the industry to deliver innovative biologics/biosimilars. Advances in bioprocessing over the last couple of decades have resulted in demand for high-skilled jobs in India. Hence, skill development programmes in biopharmaceuticals were planned by NBM and your company during the year to build next generation inter-disciplinary skills for product innovation, equipping the prospective workforce with employable skills and upskilling/capacity building of industry workforce so that they can contribute substantively to the Indian biopharmaceutical sector.

Your company organized 10 hands-on training programmes in collaboration with various academic and industry partners across the country. These skill development programmes were organized in industry relevant topics such as upstream bioprocess development, downstream bioprocess development, analyzing critical quality attributes of biologics, analyzing biophysical characteristics of biologics, medical device prototyping, medical device testing, bio-signal acquisition and analysis and good clinical practice. 500 industry professionals, startup founders, faculty, scientists and research fellows were trained as part of the programmes.

A dedicated website www.nbmworkshops.com has been designed and developed by your company for overall management of the programme.

Your company was also engaged for promotion of the Technology Business Incubator (TBI) of CSIR – Indian Institute of Integrative Medicine (IIIM),

Jammu. Your company assisted IIIM-TBI in preparing a comprehensive strategy for promoting its facility, design advertising material, creating awareness through mailers, advertisements and social media and organizing skill development programmes for optimal utilization of its facility.

REGULATORY SUPPORT SERVICES

BIOSAFETY AND BIODIVERSITY SUPPORT

Your company continued to provide services in biosafety and biodiversity. Your company is supporting FAO-Sri Lanka as technical consultant for capacity building activities in Sri Lanka as part of GEF supported project “Implementation of the National Biosafety Framework in accordance with the Cartagena Protocol”. Activities include formulation of guidelines for laboratory research involving GMOs, food safety assessment and environmental risk assessment of genetically modified (GM) plants, confined field trials of GM plants and testing of GM mosquitoes. Your company is also assisting in setting up of detection labs for GMOs and training of enforcement agencies viz. customs, plant quarantine, seed inspections, food safety officials etc. in Sri Lanka.

Your company continued to be the Country Coordinator for “South Asia Biosafety Programme (SABP)” supported by USAID and implemented by Agriculture & Food Systems Institute (earlier ILSI-RF), Washington, USA. Your company also participated actively in capacity building activities in Bangladesh as Senior Advisor as part of SABP.

Your company continued the preparation and circulation of SABP Newsletter.

Your company also participated in regional harmonization initiatives by SAARC Agriculture Centre with support of SABP.

As part of SABP, your company organized the “7th Annual South Asia Biosafety Conference” in Dhaka, Bangladesh from September 14-16, 2019, in association

with ILSI Research Foundation, MoEF&CC, Bangladesh Academy of Sciences (BAS), Bangladesh Agricultural Research Council (BARC), Bhutan Agriculture and Food Regulatory Authority (BAFRA), Institute for International Crop Improvement - Donald Danforth Plant Science Center, International Maize and Wheat Improvement Center (CIMMYT), International Society for Biosafety Research (ISBR), National Academy of Agricultural Sciences (NAAS), India and United States Agency for International Development (USAID). 157 participants from 11 countries attended the conference.

Your company actively contributed to development of a “Regional Project for Asia on the Sustainable Implementation of the Cartagena Protocol on Biosafety” in association with Korea Biosafety Clearing House (KBCH) and participated in “Engagement Workshop for the Development of Post-2020 Regional Biosafety Project” held on February 4, 2020 by UNEP in association with KBCH and MoEF&CC”.

Your company also provided training to Genetic Modification Advisory Committee (GMAC) of Malaysia held from July 30-August 1, 2019 at Kuala Lumpur, Malaysia.

Series of video lectures on key aspects of biosafety prepared with support from the Ministry of Environment, Forest and Climate Change (MoEF&CC) have been uploaded on the self e-learning portal (SWAYAM) of All India Council for Technical Education (AICTE). Activities for capacity building of Institutional Biosafety Officers in Indian Council of Agriculture Research under “ICAR Program on Biosafety Awareness and Compliance Readiness at a Pilot scale” for improving Institutional Capacity in Biosafety.

Your company has initiated an outreach programme with Tata Institute for Genetics and Society (TIGS) in the area of new technologies viz. gene editing and gene drives for mosquitoes.

Your company supported MoEF&CC in preparation and finalization of Fourth National Report to the

Cartagena Protocol on Biosafety through consultative approach.

In the area of biodiversity, your company is actively engaged in activities involving “Mainstreaming of Biodiversity in Agriculture” and “Capacity building for access and benefit sharing “in close collaboration with UNDP, National Biodiversity Authority (NBA) and ICAR-National Academy of Agricultural Research Management (NAARM).

Your company was also involved in “Development of Communication tools and dissemination materials for effective implementation of financial solution on Corporate Social Responsibility for Biodiversity conservation and management” being piloted under GoI-UNDP Project on Biodiversity Finance Initiative.

CLINICAL TRIAL MANAGEMENT SUPPORT

During the year, your company continued to provide Clinical Trial Management services to M/s Lifecare Innovations Pvt. Ltd. Gurugram for “Management of Phase III clinical trial of three single dose treatment regimens of Fungisome for Visceral Leishmaniasis (VL) in India”.

Your company facilitated Dossier Compilation, IND filing for IIIM-290 leading to grant of DCGI approval to IIIM, Jammu for conduct of Phase I trials for the Drug candidate.

INFORMATION SERVICES

As a part of the Distributed Information Sub-Center (DISC) of DBT, your company provided value added information services to the stakeholders. The members of Biotechnology Club of your company consisting of industry, research institutions, universities and individuals were kept abreast with the latest developments in biotechnology through regular information updates and newsletters.

Your company also organized a ‘Workshop on Promoting Entrepreneurship among Women in Science’ at Lucknow Biotech Park on June 19-20, 2019 under guidance from Dr. Manju Sharma, Former Secretary,

Department of Biotechnology, Government of India; and with support from The National Academy of Sciences, India (NASI). The 2-day workshop was attended by more than 100 women participants including scientists, researchers, and entrepreneurs.

FUTURE STRATEGY

Your company will continue to expand the scope of services under its existing operational areas particularly IP management, technology transfer and regulatory support. Towards this, your company would proactively work towards establishing strategic linkages with organizations and experts offering complimentary expertise. Your company will also endeavor to extend its services to other developing countries particularly in South Asia. Your company will continue to enhance the skill base of existing personnel and also engage suitable professionals in line with the company's future strategy.

RESOURCES

Your company's finances were based on income generated from its existing resources and operations. There was no increase in the share capital and no funds were borrowed during the year. INDEPENDENT AUDITORS' REPORT

To the Members of

Biotech Consortium India Limited

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Biotech Consortium India Limited ("the Company"), which comprise the balance sheet as at March 31, 2020, and the Statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as the "financial statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the Accounting Standard prescribed under Section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the standards on auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in

accordance with these requirements and ICAI's code of ethics. We believe the Audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statement.

Emphasis of Matter

1. We draw attention to the note no. 22.7 of the financial statements in respect of balances of receivables, project advances, sundry debtors and creditors which are subject to their confirmations. We have been informed that the amount receivable from Government agencies and balances of project advance accounts can not be confirmed due to the different method of accounting employed by these agencies. The balances in project advances represent unspent amount of Rs. 2396.34 lacs (P.Y Rs. 2149.29 lacs) from the project fund granted by them and the same are utilized/spent for the project as per sanction order and balances due to them can not be confirmed. Likewise, sundry debtors of Rs. 411.21 Lacs includes dues from govt agencies and the same are also not confirmed. We have not modified our report on this.
2. We draw the attention to the note no .21.2 of the financial statement where the company has shown a sum of Rs. 56.73 lacs (P.Y. 103.93 Lacs) due to MSME Creditors and the same is identified by the management but no Interest is shown as payable to the creditors which are due for more than 45 days since the company has clarified that the interest is not payable to them as per terms of contracts with the creditors. We have not modified our report on this.

Information other than the financial statements and auditors' report thereon

The Company's board of directors are responsible for the preparation of the other information. The other

information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance/conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the

accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in

aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;

Annexure “B” to the Independent Auditor’s Report**Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Biotech Consortium India Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance

note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and

that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note	Particulars
19	Corporate Information
	<p>'Biotech Consortium India Limited (BCIL) is a company promoted by the Department of Biotechnology, Ministry of Science & Technology, Govt. of India (DBT) and financed by all India public financial institutions and corporate(s) with the objective of providing necessary linkages among different stakeholders to facilitate accelerated commercialization of biotechnology. BCIL has been actively involved in technology transfer, project consultancy, project management, biosafety services, IPR related services, information dissemination and manpower training related to biotechnology over the last twenty nine years. BCIL is presently managing a number of prestigious projects of national relevance for various government departments including DBT, Ministry of Agriculture (MOA), Ministry of Environment & Forests and Climate Changes (MOEF & CC) and Ministry of External Affairs (MEA). BCIL is closely networking with stakeholders involved in commercialization of biotechnology i.e. Central and State Governments, scientists, research institutions, universities, entrepreneurs, corporate sector and other national and international organizations etc. BCIL has an elite Board of Directors consisting of Heads of various Govt. Departments dealing with research in biotechnology, financial institutions and industry to provide vision and guidance to BCIL in its various activities. Presently, BCIL carries its operations from its corporate and registered office at 5th Floor, Anuvrat Bhawan, 210, Deen Dayal Upadhyaya Marg, New Delhi-110002.</p>
20	Significant Accounting Policies
20.1	Basis of accounting and preparation of Financial Statements
	<p>The Financial Statements of the company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) including the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with the Rule 7 of the Companies (Accounts) Rules, 2014 as amended from time to time and disclosures are made in accordance with the requirement of Schedule III of the Companies Act, 2013 as referred under section 129(1) of the Companies Act, 2013. The Financial Statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the Financial Statements are consistent with those followed in the previous year.</p>
20.2	Use of estimates
	<p>The preparation of the Financial Statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the Financial Statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.</p>
20.3	Depreciation and amortisation
	<p>i) Depreciation on fixed assets has been provided on pro-rata basis from the date of acquisition of assets on written down value method at the rates arrived at on the basis of remaining useful life of the assets and manner prescribed under Schedule II read with Section 123 of the Companies Act, 2013.</p> <p>ii) On assets sold, discarded etc, during the year, depreciation is provided upto the date of sale /discard. The value of assets whose useful life has been expired, has been adjusted with retained earnings/deferred grants.</p> <p>iii) Depreciation on fixed assets purchased out of capital grants is debited from Capital Reserve Account and credited to Profit and Loss Account, resulting into claiming depreciation only on the assets funded by the company.</p>
20.4	Revenue recognition
	<p>'Revenue is recognized on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured. Accordingly, wherever there are uncertainties in the ascertainment / realization of income, the same is not accounted for.</p> <p>Income from Sale of Publication, royalty and Subscription from members is recognised on receipt basis.</p>
20.5	Other income
	<p>The Dividend income from investments made in Companies and Mutual fund units is recognized as and when the Company becomes entitled to it i.e. after the declaration and approval of dividend by the Investee Company / Mutual Fund. Interest income is recognized on accrual basis taking into account, the amount invested and the rate of interest applicable on time proportionate method. Interest on tax refund, if any, is accounted for on receipt basis.</p>
20.6	Tangible fixed assets
	<p>'Fixed assets have been capitalised at cost inclusive of installation expenses and are carried at cost less accumulated depreciation and impairment losses, if any. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance. Fixed assets acquired out of grants sanctioned and put to use for project purposes are capitalised and capital reserve in the nature of deferred grant is created for the equivalent amount. Depreciation on such assets is not claimed and amount equivalent to depreciation is reduced from both the fixed assets and deferred grant as well.</p>

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note 20 Significant Accounting Policies (contd.)

Note	Particulars
20.7	Intangible assets
	The company do not have any intangible assets for the period under review. However, intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment.
20.8	Foreign currency transactions and translations
	<p>Initial recognition</p> <p>Transactions in foreign currencies entered into by the company and its integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.</p> <p>Measurement of foreign currency monetary items at the Balance Sheet date</p> <p>Year end balances of receivables/ payables are translated at year end rate of exchange and the resultant transaction loss/gain is recognized in the Statement of Profit and Loss.</p>
20.9	Government grants, subsidies and export incentives
	Grants received & utilized from Government agencies against specific fixed assets are shown under the head “Capital Reserve”- Sub head “Deferred Grant” and depreciation on the fixed assets purchased out of grants are debited to Deferred Grant Account and credited to the Depreciation Account and depreciation in Profit and Loss Account is shown seperately. Revenue grants are shown in the profit and loss account to match the same with the related costs as per the terms of grants and unutilized grants are shown under the head “Advances Received”.
20.10	Investments
	Investments being long term in nature are stated at cost and provision for diminution in their value other than temporary is made in the financial statements. Gains/ losses on disposal/redemption of investments are recognized as income/ expenditure, as and when realized and temporary decline in the value of investments are not recognized as loss in accordance with the Accounting Standard -13 (AS-13) issued by ICAI.
20.11	Employee benefits
	<p>Employee benefits include provident fund, gratuity and leave encashment.</p> <p>Defined contribution plans</p> <p>The company’s contribution to provident fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made.</p> <p>Defined benefit plans</p> <p>For defined benefit plans in the form of gratuity fund and leave encashment fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.</p>
20.12	Earnings per share
	‘Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note 20 Significant Accounting Policies (contd.)

Note	Particulars
20.13	Taxes on income
	<p>‘Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.</p> <p>Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the company.</p> <p>Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.</p> <p>Current and deferred tax relating to items directly recognised in equity are recognised in equity and not in the Statement of Profit and Loss.</p>
20.14	Provisions and contingencies
	<p>‘A provision is recognised when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.</p>
20.15	Service tax/GST input tax credit
	<p>‘Service tax/GST input tax credit is accounted for in the books in the period in which the Invoice of GST received is accounted and when there is no uncertainty in availing / utilising the credits and no Input tax credit is taken on provisional basis.</p>
20.16	Impairment of Assets
	<p>The management periodically assesses, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the assets net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss, if any, is charged to the Statement of Profit and Loss in the year in which the asset is identified as impaired. The impaired loss recognized in prior accounting periods is reversed/adjusted, if there has been a change in the estimate of the recoverable amount.</p>
20.17	Cash Flow Statement
	<p>Cash flows are reported using the indirect method, whereby profit before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.</p>
20.18	Segment Reporting
	Business segment
	<p>The company identifies primary segments based on the dominant source, nature of risks and returns, the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.</p>
	Geographical Segments
	<p>Secondary segmental reporting is performed on the basis of the geographical location of customers i.e. within India and Outside India.</p>
20.19	Leases
	<p>The leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. Such assets acquired are capitalized at fair value of the asset or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments under operating leases are recognized as an expense on a straight-line basis in the Statement of Profit and Loss over the lease term.</p>

Note 22 Disclosures under Accounting Standards (contd.)

Note	Particulars
22.6	In the opinion of the Board, the value of current assets, loans and advances have a realizable value in the ordinary course of business at least equal to that stated in the Balance Sheet.
22.7	Balances in respect of receivables, sundry debtors, project advances and creditors are subject to their confirmations. Amount receivable from Government agencies including DBT, MOEF & CC etc. and project advances in various projects amounting to Rs. 2496.34 lacs can not be confirmed due to the difference in the method of accounting deployed in these agencies and the company 's method of accounting. The balances in project advances represent unspent balance from the projects funds granted by these agencies and the same are utilized for the projects as per sanction order received from these agencies from time to time.
22.8	The company had entered into agreements with DBT under the various schemes of DBT where by it is acting as a coordinating / managing agency. The funds received from DBT under various schemes have been kept separately in bank accounts and interest earned on these deposits is credited to the respective DBT project accounts. The interest earned is utilized only for activities to be carried on under the various schemes. However the interest earned on these funds and liability to pay such interest to the DBT has been shown net of Income & Expenditure while preparing Statement of Profit & Loss Account. These funds are specifically utilized for the schemes of DBT and only the fees received for rendering services as coordinating/managing agency has been accounted for as income from operation in the Statement of Profit and Loss. The company is maintaining details of head wise expenditure incurred in projects coordinated by it through cost categories and cost centers.
